

## BOD Report

The BOD had a meeting at the Coast. All BOD members were present.

We had guests Bob Olson, Jackson McDonald, and Bill Henderson attend, they all provided excellent insight into the past and the future of the organization.

Then they left and we had a meeting.

We discussed the opportunities coming to the Western BCA in the future.

Tables

Tournament direction

Vendor space

The comment box did not get put up in the pool room so players could voice their opinions on the table.

Posts on FB about selling the predator table that we are now paying to store at the storage unit in LC.

Negative comments about new Littman lights posted on FB.

Also discussed was the lack of BOD presence in the last year.
