

Steven A. Marker

History

- April 1972 – April of 1992 – Administrative Manager in charge of managing an office and personnel assigned. Office manager for a 3 star admiral, typing filing of correspondence, setting up the admirals schedule, fielding telephone calls, managing an administrative office of 30 engineers in all facets of of air, land, and sea engineering.
- Cascade Pool League Manger – February 2010 to present Assist the League operator with the day-to-day management of Cascade Pool League. Travel to different venues to see how other divisions are doing. Hold player meetings. Assist with the running of session end payouts and awards.
- Player Representative – May 28th 2006 to present - Attend Western BCA Meetings as a Player Representative. Receive information for the players and represent players from cpl Portland Oregon so they have a say in the Western BCA organization. As a player representative vote on policies of the Western Bca. Keep players informed of rules, times, dates of upcoming Western BCA events. Ensure that players are qualified to enter Western BCA events. Ensure that I have knowledge of all rules in regards to western BCA rules and policies and those of BCAPL.
- Tournament Director Western BCA – March 2010 to October 2012
- Head Tournament Official Western BCA October 2012 to present - In October 2012 Badboys Billiard productions began the duties as tournament directors. This change was significant as we were letting them handle more responsibilities with our tournament. I began my duties of making sure Badboys billiard productions who as an outside contractor was running the Western BCA 8-ball and 9-ball tournaments in a manner consistent with its running while I was tournament director. My job of Head tournament Official is to make sure that all rules and policies are followed from the WBCA and BCAPL. Attempt to keep the tournament on time. Procure a TO team. Make sure all event officials and refs are on the same page and to be consistent. Liaison between bad boys Billiard productions and western bca and Chinook winds casino. Meet and greet the various players that come to our events. Keep logs and maintain medical slips for players and maintain all facets of cohesion of the tournaments ran.

Significant Accomplishments

- Lobbied vigorously to have red circle cue balls used at all of our tournaments and during league play.
- Lobbied vigorously to have Diamond Tables.
- Was able to get up to speed when asked by the association to be Tournament Director at our events.
- Successfully completed a referee course of instruction on rules and interpretations thereof.
- Have interacted numerous times with owner and CEO of bcapl on various issues. Also have been asked by Bill Stock to come to the national tournament.
- Successfully completed the job description and structure of the western bca tournament director as requested by the president.

Accomplishments as vice president of the Western BCA

- Took over the duties of tournament coordinator which involves liaison with Chinook winds casino, bad boys billiard productions and outside vendors.
- Constructed and implemented a player disciplinary infraction matrix in ensuring that we have a fair, safe, and respectful tournament for all to come and participate in and enjoy. Additionally, at the same time, introduced a player redress procedure that if a player felt an unfair punishment had

been levied against them that they would be guaranteed fair treatment by our grievance committee.

- Liaison between the President and the Board chair in order to maintain cohesiveness in getting various tasks completed.
- Assumed the duties of live streaming manager in making sure championship and other high interest matches are scheduled and live streamed in Liasion between Badboys Billiard Productions, the live streamer and the chair of the Western BCA Competition Committee.
- I served on the Chinook Winds Open Committee in our continuing talks with the casino on our Chinook Winds Open.
- I received a grade of excellent on my recent evaluation from the Western BCA Board on the performance of my duties.
- I have done every task that I have been asked to do by the president and have assisted in other areas such as the podium department.
- Elected to the Board of Directors for 2 consecutive terms and participated in a retreat to accomplish tasks required by the board.
- Continued my role as Tournament Coordinator and Head Tournament Official.
- Volunteered to be on the Competition Committee and am currently on the competition committee in an advisory capacity.
- Served 3 terms on the board
- Elected Fairview City Councilor
- Member of the East County Committee for Homeless services
- On the east county fire user board
- Council Liaison for the Fairview Parks and Recreation Advisory Committee
- Testified at Reynolds School Board for School Resource Officers
- Have still supported my League Operator and Western BCA
