

To ALL Western BCA Members:

After being approached by an amazing number of players asking me to consider running for the President position, I have in fact decided to run for the position of President of the Western BCA.

As many of you know who I am, there are some who may not. Here are the multiple positions/duties I have been involved with in the organization.

- ❖ WBCA member since 2012
- ❖ Divisional manager since 2015
- ❖ NPL Player Rep since 2016
- ❖ Ran Queen of the Hill since 2018
- ❖ Tournament Registrar since 2019
- ❖ NPL LO since 2020
- ❖ WBCA VP since 2020
- ❖ Event Coordinator since 2022

Outside of Western BCA:

- ❖ Outside Sales/Customer Relations for a collection agency for 10 years 2012-2022
- ❖ Part time admin and tournament director since 2014 at our Restaurant/Bar/Pool Hall we have owned for 20+ years. I went full time in 2022 to focus more on tournaments and admin duties and maintaining our 11 Diamond tables.

Most people don't realize the many long days I spend volunteering for the Western BCA because most of it is done behind the scenes.

Here are some things I feel are important to the organization:

- I feel the Officers and the BOD should ALL be working as a team
- Communication is key to getting stuff done
- Having an open mind to come up with the best solutions for the organization
- Decisions should be made for what is best for Western BCA as a WHOLE!
- One of the biggest things I believe needs to be addressed is "Facebook". It has been extremely toxic to the organization. It is embarrassing to think any current or potential sponsor or venue of any sort may look at our Facebook page and see all the arguing and drama, making our organization very unappealing. Facebook I believe is a huge factor that is dividing this organization. Western BCA as a whole is better than that and the time is now to show and prove we are!

I appreciate your consideration for the President of the Western BCA position.

Tammy Culbertson
