

Hi Players,

I'd like to announce my intention to run for a Member at Large position with our WBCA. Many of you may recognize me from the Chinook Winds events over the past year. I volunteered as a Tournament Official for the 9 Ball Events last fall and I was most recently at the 8 Ball Events last month. I've spent hours at these events watching and learning. I watched the determination of players as they went hill-hill searching for their win. I watched the referees respond again and again to requests to watch hits, and explain rules. I watched the Bad Boys group hold down the fort in their booth. From the time the room opened until the last matches were turned in they were entering scores, calling mini matches, and answering the same questions for ten days straight. Everyone from the payout booth to the lost and found, from the Tournament Officials to the merchandise booth volunteers worked so hard to make this event a success.

This organization is full of people who are passionate about our sport. From Board Members, past and present, to all of the players who join at the local levels and everyone who shows up to play in our events. The WBCA wouldn't exist without the players who get involved at every level.

Let me get involved. I am a passionate pool player. I am an organizer. I am a listener. I am a planner. I am someone who likes to see things done in a fair and consistent manner. I am here for the details. Communication between board and players is a must. Feedback from players should be acknowledged and new ideas should be presented. I am fully capable and committed to listening to what is wanted and presenting those ideas. Allow me the opportunity to get involved with WBCA.

Thanks for consideration and I will see you all on Sunday!

Katie
