My 3 main philosophies are:

KISS – Keep it Simple Stupid

INTEGRITY MATTERS!!

The good of the many out way the good of the few or the 1. (Let's not focus on the few who have personal agendas)

I am running for a seat on the WBCA BOD because I have been an active member of this organization since 2015. Being a Players Rep, competition committee, tournament committee and previous BOD member has given me a chance to represent PLAYERS in each of those positions. I also sit on the Nampa City Venue Management Committee that adheres to “Roberts Rules of Order”.

We need to listen to ideas, but more importantly solutions for those ideas.

If anyone has questions or input... I have open ears and no judgement.

Thank You for your consideration,

Tami Conibear
