

Ed Slade
Board of Directors

I play in Everett WA out of Players Club Limited. I've been in WBCA for 20 years and I'm a former BOD member for 12 or 14 years, I really can't remember when I was first elected.

I've been involved with WBCA at every level, Tournament Coordinator, Competition Committee, Tournament Committee, and served as a tournament director for many years. I have been running tournaments in the Everett Seattle area for over 30 years.

I took a years off from the BOD for personal reasons and now I'm ready to get back involved.

I would appreciate your support.
